EXT ROOF (TERRACE/GARDEN) DAY

View of city far and wide: up here it's peaceful.

JEAN (50s) and GEMMA (50s) open the door onto the roof.

JEAN

This. Is. Perfect. C'mon.

Jean has a large suitcase on wheels with her. She tows it along behind her as she bustles Gemma ahead. Jean pulls over two chairs.

JEAN (CONT'D)

These'll do.

She opens her case and reveals it is full of paraphernalia. She helps Gemma to sit down.

JEAN (CONT'D)

There. Park yourself.

Gemma sits down and watches bemused, as Jean pulls out an inflatable which she sets about inflating. It's one of those footstool cubes that people use on planes. Jean puts the inflated footstool under Gemma's feet.

JEAN (CONT'D)

Go on, make yourself comfy.

CUT TO:

Both footstools blown up, Jean and Gemma sit next to each other and contemplate the sky.

JEAN

We'll get a cracking view from up here, love. Just you wait.

Jean stands up, hands on hips. She means business.

JEAN (CONT'D)

Now.

MONTAGE

- Jean extracts an item from her case which she deftly unfurls to become a little table
- On the table, in quick succession, Jean places a tablecloth, a teapot, milk jug, two cups and saucers
- Two tea bags are popped in the tea pot, followed by piping hot water from a flask. Teaspoons, sugar bowl.
- Jean opens a variety pack of biscuits and arranges the biscuits in a pattern on a plate, napkins.
- Blankets, one each, she places one over Gemma's knees.
- A cushion behind Gemma's back.
- A hot water bottle under the blanket
- Finally a set of binoculars.

CUT TO:

Jean and Gemma are both trussed up in woolly hats, sitting on their chairs, blankets on their knees. They chink tea cups - cheers! - then both enjoy dunking biscuits in their tea.

JEAN
Any minute now.

Jean picks up her binoculars and scours the sky.

JEAN (CONT'D)
Any minute now.

She stops looking and turns to Gemma who smiles.

JEAN (CONT'D)
More tea?

Before Gemma can answer, Jean pours more tea for her. As Gemma drinks her tea, Jean checks her watch.

JEAN (CONT'D)
Any minute - noooooow.

She swallows hard. Then turns to Gemma.

JEAN (CONT'D)
You having a nice time? You
enjoying? Anything you need?

Gemma makes to get up. Jean stops her, controlling. Then she smiles, pats Gemma's blanket. Gemma shrugs and smiles.

JEAN (CONT'D)
There. Lovely.

Jean looks up at the sky again with her binoculars.

JEAN (CONT'D)
Any minute now.

Gemma puts her tea down and taps Jean on the shoulder. Jean stays staring through her binoculars, tears streaming, but not letting Gemma see her face.

Using <SIGN LANGUAGE>, Gemma asks: **what are we waiting for?** Jean wipes her tears away, looks back at Gemma.

JEAN (CONT'D)
(proffering the plate)
Custard cream?
